

CONVECTAIR

HEATERS FOR YOUR COMFORT
& PEACE OF MIND

Premium Convector heaters provide solutions adapted to each client's specific needs, be they supplemental heating, home renovations and additions or complete home heating systems.

Convector systems are available in a wide range of designs and power ratings, in 120 or 240 volts.

Plumas-Sierra REC offers Convector heaters, North America's most innovative line of energy-efficient heating solutions, at a discount to its members.

With Convector heaters from PSREC say goodbye to chilly bathrooms, cold bedrooms, cold floors, noisy heaters and high heating costs.

For more information, a heater sizing calculator and technical specifications, visit, www.psrec.coop or www.convector.com/us.
